EXAMINER'S AMENDMENT & STATEMENT OF REASONS FOR ALLOWANCE

Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael G. Voorhees on 13 May 2004.
3. The application has been amended as follows:

Cancel claim 4.

Claim 5:

At the end of claim 5 between "60 degrees F" and "." insert the following:
--, wherein said hot valve, said cold valve, and said low cold valve have flow rates in the following ratios: 1.0 units for said hot valve, 2.08 to 3.64 units for said cold valve and .25 to .36 units for said low cold valve--

Response to Arguments

4. Applicant's arguments, see Amendment, filed 09 January 2004, with respect to 1-3 & 5-7 have been fully considered and are persuasive. All previous claims objections and rejections have been withdrawn.

Allowable Subject Matter

5. The following is an examiner's statement of reasons for allowance: The closest prior art of record, US 4,290,450 to Swanson, fails to teach each and every limitation of the instant invention. Specifically, Swanson fails to teach or suggest the claimed valve assembly having a hot valve, cold valve, and low cold valve of the claimed flow rate ratios for the purpose of achieving a highly efficient and simplified water valve, which is disclosed as an essential element of claimed invention, as described in independent claims 1 & 5.

6. For at least the foregoing reasons, claims 1-3 & 5-7 (renumbered as claims 1-6) are believed to recite patentable subject matter.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
